PIXEL ARCADE & RESTAURANT ANNOUNCES EXCLUSIVE LAUNCH, INTRODUCING THE ISLAND'S FIRST HIGH-TECH ARCADE AT HAVEN COMMUNITY SHOPPING COMPLEX CHAWENG, KOH SAMUI

A new chapter in entertainment is beginning on Koh Samui. Pixel Arcade & Restaurant is thrilled to announce its official launch within the prestigious Haven Community Shopping Complex, bringing a one-of-a-kind entertainment experience to Chaweng. Pixel's centerpiece is a state-of-the-art game arcade, set to redefine fun for locals and tourists alike.

The Pixel Game Arcade is the first of its kind on the island, featuring high-tech attractions designed to appeal to all ages. Key highlights include two professional bowling alleys, the only super grid game in the region, and an immersive golf simulator experience.

The arcade offers a vibrant, dynamic environment perfect for families, couples, and friends.

Accompanying the arcade is the Pixel Restaurant, which provides a high-energy space to relax and refuel. It features a menu of gourmet hot dogs and a popular Thai/Western fusion cuisine, along with one of the largest selections of beer on tap on Koh Samui.

The restaurant's lively atmosphere is the perfect complement to the arcade's excitement.

The vision for Pixel is to establish a new standard for entertainment on Koh Samui. "We're creating more than just an arcade; we're building a complete destination where people can eat, drink, and experience fun in a way they never have before. Our unique blend of games and gourmet dining makes Pixel a powerful anchor for the new Haven Complex and a must-visit attraction on the island."
